

Water Sharing Partner	Date Signed	Well Number(s)	Location	Exploratory Agreement	Compensation	Electricity Paid by District	Production Constraints	2008 Water Supplied (Thousands)	Agreement Duration	Termination/Renewal	Notes
STDWID (Fumusa)	10/20/1996	BV: 55-542283 P-3: 55-547869	Pine	No	\$1.00/thousand	No	District determines production	BV: 6379 P-3: 0	None	Terminates when last Solitude Trails lot is sold. All assets transfer to District at that time.	1. Clause that STDWID must supply additional water sources if STDWID uses more than 80% of the available water. Well below that at this time. 2. Uses PSWID pipes to move water from well to STWID service area. 3. This agreement was to deal with the illegal connection of Solitude Trails by E&R. Agreement is written that E&R (Brooke owned at the time), would give up its CC&N for ST, with the agreement returning service responsibility to E&R when sufficient water supplies were available, ACC approved, and the last ST lot was sold. 4. In returning service to E&R, all of the assets would transfer to E&R ownership.
Bloom	11/12/1998	55-571532	Pine	Yes	Standard sliding scale	No	District determines production	3766	5 years	With notification at contract end; Auto renews for 5 years	
Timber Ridge Holdings (Weekes)	3/28/2008	55-565901 Second well not known	Pine	No	\$1.50/thousand ; increases to \$3.00/thousand when service to Timber Ridge starts; Price increases 5% per year.	No	District determines production	3021	15 years or as long as Timber Ridge requires water wheeling	Termination at agreement duration conditions. No auto renewal and no renegotiation clauses.	1. A wheeling fee of \$2.50/thousand is applied for the water delivered to the Timber Ridge subdivision. No yearly increase of the fee is specified.
Rogers	9/15/2009	Not known	Pine	No	Standard sliding scale	No	District determines production	Not in place in 2008	2 years	No renewal clause.	In the past, this well was included as Brooke owned until the owners of the property intervened with proof that Brooke did not own the well. As part of the transfer to PSWID, Brooke established a limited time water sharing agreement with the well owners.
O'Hara	6/20/1997	55-560369	Strawberry	No	Standard sliding scale	No	District determines production	1406	5 years	With notification at contract end; Auto renews for 5 years	
Stetson	12/2/1998	Not known	Strawberry	No	Standard sliding scale	Yes	District determines production	None	25 years	With notification at contract end; Auto renews for 5 years	There are easement/access issues that have prevented this well from being connected to the water system. Another issue is that it is 85 ft from a septic system. Original agreement was with Mr. Glenn Hale. Assumption by Mr. Stetson on 4/8/2008.
Johnson	11/17/2000	J1: 55-586130 J2: 55-586129	Strawberry	Yes	Standard sliding scale	No	District determines production	J1: 8470 J2: 4679	15 years	With notification at contract end; Auto renews for 5 years	
Knucky-Ralls	9/5/2001	55-635762	Strawberry	Yes	Standard sliding scale	Yes	District determines production	1693	25 years	With notification at contract end; Auto renews for 5 years	

Wilkie/McKnight	2/24/2003	55-588181	Strawberry	No	Standard sliding scale	No	District determines production	5441	15 years	With notification at contract end; Auto renews for 5 years	
Hoel	6/29/2005	55-561197	Strawberry	Yes	Standard sliding scale	No	District determines production	5536	15 years	With notification at contract end; Auto renews for 5 years
